

**REMARKS**

This preliminary amendment makes changes to the specification and drawings similar to those made during prosecution of the parent application. The changes correct informalities present in the originally filed specification.

Claims 1-3 from the above-identified parent application have been canceled. New claims 4-6 have been added and are pending herewith for examination in the above-referenced continuation application.

It is respectfully submitted that no new matter has been added by the amendments to the specification, claims and drawings.

It is further respectfully submitted that the present invention is new, non-obvious and useful. Prompt consideration and allowance of these claims is respectfully requested.

Respectfully submitted,

KENYON & KENYON
